# 3M™ DBI-SALA® Temporary Sliding Beam Anchor

**Part Number(s): 2104716**

**Product Type:** Anchorage

Temporary Anchorage Point

## Description

<b>Sub-brand:</b>	DBI-SALA®
<b>Industry:</b>	Construction
<b>Applications:</b>	<ul style="list-style-type: none"><li>• Bridge work</li><li>• Buildings</li><li>• Warehouses</li><li>• Arenas</li><li>• Parking ramps</li></ul>

## Features

<b>Body:</b>	<ul style="list-style-type: none"><li>• Material: Aluminium bar and end clamps. Steel lock</li><li>• Breaking Strength: 22 kN</li></ul>
<b>Connection Point:</b>	<ul style="list-style-type: none"><li>• Type: 360-degree swivelling D-ring</li><li>• Material: Steel with zinc plating</li></ul>
<b>Fixing Option:</b>	Clamps down on beam flange
<b>Weight Capacity:</b>	140 kg
<b>Compatible Structure:</b>	Beam Size Limitations. Suitable for: 30.5 cm - 76.2 cm wide beam with flange thickness of 6.3 cm max
<b>Number of Users:</b>	1 user
<b>System Breaking Strength:</b>	> 12 kN for CE
<b>Net Weight:</b>	3.4 kg
<b>Operating Temperature:</b>	-40°C +54°C
<b>Standards:</b>	EN795:2012 Type B
